From the Headteacher

Dear Parents and Friends,

As usual the whole school has been enormously busy with so much going on particularly relating to the London project and Arstweek. Last week we had our annual KS2 trip to Paris which the children enjoyed enormously. This week we have had a whole school sponsored walk for CAFOD and the SVP. This afternoon all the children in the school will be learning about relationship education through the Catholic scheme Journey in Love. Next week there will be lots of sporting competitions and more London project educational visits. All very exciting.

I am very pleased to announce that we have a full complement of excellent quality teachers for the next school year. We look forward to the last two weeks of term. **James Allen**

Sports Day

On Friday the children took part in their annual Sports Day. After torrential rain in the days before we were lucky to be given a break from the weather. It was a fantastic day and great to see all the children taking part in a variety of sporting events. Thank you to all the children who took part, staff who helped and parents who came to spectate. Well done to Blessed Father Tansi who won both the Foundation and KS1 competition and the KS2 event.

Mixed Football Competition

On Wednesday 28th June, 8 children from Year 2 entered the borough Mixed Football competition. The children had trained very hard for this competition and performed brilliantly on the day. They came in 1st place and won the final 3-1. Congratulations and keep up the hard work!

Y1 at Golden Hinde

Last Tuesday Year one visited the Golden Hinde. They had an unforgettable Tudor adventure and were given the opportunity to experience what life was like for a 16th century explorer. The children were given a guided tour of Sir Francis Drake's famous Galleon and had to complete many of the jobs that the crew would have been responsible for.

Y4 at The London Eye

On Tuesday 28th June Year 4 went on a wonderful adventure into London city to go on the London Eye as part of the London History project. We had to identify as many historical Landmarks as we could to then go back to class and locate these magnificent and monstrous landmarks on a map. To name a few we located Big Ben, Houses of Parliament, the Shard and Tower Bridge.

Year 5 Floating down the Thames

On Tuesday the 21st of June 2016, Year 5 went on a Thames Boat Trip. We went with three other schools and departed from Canary Wharf Pier. This was to tie in with our London History Project. We had activity packs on the day and we had to identify buildings of Historical importance along the river. We got to travel down to the Thames Flood Barrier on our way back. We were very lucky to have a sunny day which made it enjoyable for everyone.

KS2 in Paris and not for the Euros

Last Wednesday 26 children, mostly from Year 3, went on their first day trip to Paris. We travelled to Paris by Eurostar and we arrived before Lunch. Firstly we went to Notre Dame Cathedral then we had Lunch at Flunch. This was followed by a trip to the Louvre, where we had a guided tour and saw the Mona Lisa and also the last of the French crown jewels. After this we went to the Eiffel Tower and of course we did our usual souvenir shopping. The day was fantastic and the children learnt a lot about Paris.

Y5 at Tower of London

On Wednesday June 29th 2016, Year 5 went on a school trip to the Tower of London. We travelled by DLR TO Tower Gateway and began with a workshop on 'Crime and Punishment through the ages'. We learnt all about the torture mechanisms that were used in the tower through the years.

After this we spent an hour exploring the tower and some of us were even lucky enough to see the Crown Jewels. We had a great day.
