

**St Joachim's Catholic Primary School
PE and sport premium for primary schools 2016-17**

The Department for Education has provided all primary schools with additional funding to increase participation in sports. In February 2014 David Cameron highlighted the primary PE and Sport Premium.

PE and Sport Premium

The dedicated primary [PE and Sport Premium](#), which was announced in March 2013, and began the following September, goes directly to primary school head teachers so that they can decide how best to use it to provide sporting activities for pupils.

At St Joachim's during the academic/financial year 2016/17, the school was allocated £8,895. It has been used in the following ways:

	£
Fund participation in the Langdon Sport Partnership / School Competitions:	855
Additional sports equipment	2,844
Tennis Coach for all KS2 and Sports Coach KS1 (contribution)	<u>5,196</u>
Total	<u>£8,895</u>

Impact of PE and Sport Premium

Sport and PE has always been given a very high priority at St Joachim's and this funding has supported the school's aim to continue to raise the profile of sport and encourage activity for all children. As a result:

- PE standards are very high at St Joachim's, evidenced in school data on target tracker
- Almost all children participate in sporting activities either during lunch time or at clubs and through lessons
- Over 16 before or after school sports clubs are available to KS1 and KS2 pupils (free to children) including tennis coaching and other specialist sports.
- St Joachim's participates in the majority of Langdon Partnership inter-schools competitions and in 2016-17 won 7 events, an improvement from the previous year.
- St Joachim's participates in as well as hosts a variety of chess competitions.
- Children are frequently placed in "medal positions" in competitions.
- St. Joachim's achieved Gold standard Sainsbury's School Games Award 2015-16.
- Development of school learning environment (key issue 6) e.g. table tennis tables, basketball nets

PE and sport premium for primary schools 2016-17

Sustainable improvements

- In the academic year 2017-17 the PE leader will be teaching one lesson per week to all classes, modeling high standards and team teaching
- Continuation of before and after school sports clubs
- Training for sports competitions takes place during lunch time
- Renewed membership with Langdon Partnership will allow for continued participation in the sports competitions
- Development of playground to encourage physical activity for enjoyment e.g. table tennis tables
