Plan for support & Curriculum Focus 2015/16

At Joachim's we have a clear philosophy that we want to provide children with a wide range of exciting and engaging learning opportunities that they may not always have access to. We also strive to ensure that all children equally make outstanding progress in their learning, through identifying need and under performance and putting in place additional resources and support programmes.

Early support strategies for those who need additional help and intervention in reading and number have also been partially funded through the pupil premium as well as more able children through projects such as the Brilliant Club.

Our extensive range of opportunities beyond the school day, enhance children's development. This grant has also contributed towards the costs of these activities that were previously funded by other grants.

Our funding plan for September 2016 to August 2017 has therefore been targeted in the following ways:

Enriching the Curriculum

History Workshops / Artists Shakespeare Workshop / subsidised visits / Brilliant Club £7,750

Targeted Support

KS1 Intervention Teacher / Counsellor / KS2 Enrichment Teacher, Music Teacher £41,091

Additional KS2 Teacher

Additional Yr 6 teacher reducing class size / targeted support £37,050

Extended School Support

Breakfast club / after school clubs / study support £5,000

Additional Provision

Rome Visit/Paris Day Trip/Outward Bounds Wales (contribution) £189
69 pupils x £1320 = **£91,080**

Measuring the impact of PPG spending

Our school data, which is published on our school website (www.st-joachims.newham.sch.uk) shows that we are a high performing school. We believe that every experience children have has contributed towards their outstanding achievements, including those funded by this grant.

We will continue to use this grant to enrich children's experiences to help them become increasingly confident in all aspects of learning and develop their independence and resilience.
