29th June 2015

Dear Parents,

From this September the Lunchtime Company will be managing the catering service at St. Joachim's Catholic Primary School.

Quite a lot is going to change.

First, all meals will be cooked from fresh ingredients every day. We use local suppliers where possible and source 60% of all fruit and vegetables within a radius of 15 miles of the school. We work to the Soil Association's Food for Life silver accreditation which means that all chicken is 'Freedom Food', Turkey is free range and organic and beef and lamb are 'Red Tractor'.

30% of our ingredients are organic and we have a positive attitude to recycling, food miles and wastage.

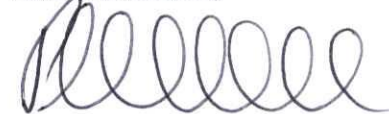

The company is run by award winning Master Chefs who will continuously train and re-train staff to their high standards. The food, however, from the first day of term, will be fabulous.

Over the course of the academic year there will be various theme days and fun days – please look out for these (advertised around the school and on the school's website)

Towards the end of September & October we will invite all parents and carers to the school to taste a selection of food that is actually on the menu cycle. This will give you the opportunity to taste the food and meet the lunchtime team and ask questions.

Our aim is to make the lunchtime meal the highlight of the day for all students & staff; we really hope that we can welcome your child as a customer.

With best wishes,

Peter McAleese
Operations Director

A better choice
